

RESERVED EASEMENTS

- EIN 3** An easement twenty-five (25) feet in width for access to and from public land via a trail which proceeds north and south from Point Hope. In the area north of Cape Thompson, a branch of this trail proceeds easterly and connects with EIN 12, which crosses into the upper Ogotoruk Valley.
- EIN 5** An easement fifty (50) feet in width for a trail for access to and from public land along the left bank (looking downstream) of Haripak Creek. Also included is a two (2) acre site easement on the coast for a staging area for access to public land.
